The FERMA/Lloyd's Professional Development Programme

FERMA rimap® Licensed

lloyds.com/gdc

Programme overview Why should I attend?

A joint initiative between FERMA and Lloyd's, this programme focuses on practical activities that facilitate the exchange of experiences between participants. It will give delegates the opportunity to:

- Gain a concise overview of the Lloyd's market, how it works and market trends.
- Experience a unique opportunity to shadow brokers and underwriters in the Lloyd's underwriting room.
- Gain insight into managing emerging risks, Lloyd's research and thought leadership.
- Join sessions on Lloyd's approach to risk management, exposure and performance management, as well as international insurance regulations.
- Attend an interactive claims management session with Lloyd's claims experts.
- Grow connections through networking opportunities, speaking to underwriters, brokers, risk managers and Lloyd's Senior Leadership.

All participants who successfully complete the programme will be entitled to claim CPD points towards the FERMA rimap® Risk Management Certification.

“The sessions were all interesting and insightful and a very important point was the networking – being part of a programme with twenty peers and colleagues from all over Europe.”

Fedele Cappiello, Insurance Area Manager
Fiat Chrysler Rimaco SA

Who is the programme for?

European risk managers of a FERMA national association.

How much commitment is required?

The programme takes place across three, two-day sessions over the course of 12 months.

Visits will be hosted at Lloyd's London headquarters and at the FERMA Forum 2022, potentially having the final visit at Lloyd's Europe office in Brussels. This will be confirmed in due course.
